

## **BENJAMIN BASSICHIS, MD, FACS**

Double board certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology-Head and Neck Surgery, Dr. Benjamin Bassichis is a respected and skilled facial plastic and reconstructive surgeon with a distinguished education that includes 11 years of specialty training. He performed his fellowship in Facial Plastic Surgery at the prestigious University of Illinois at Chicago under the guidance of world renowned facial plastic surgeons, Drs. Regan Thomas and Dean Toriumi.

Dr. Bassichis' practice is unique in that he focuses exclusively on the face, head and neck. His holistic approach to facial rejuvenation, promotes natural surgical results that allow his patients' own beauty to shine without appearing "done" or artificial. In addition to surgery, Dr. Bassichis' comprehensive Facial Health Maintenance Program™ advocates a long term commitment to customized skin health and facial rejuvenation. Dr. Bassichis has authored more than 50 scientific chapters and papers as an expert in his field. He is a Clinical Assistant Professor at the University of Texas-Southwestern Medical Center where he teaches young physicians the art and science of Facial Plastic Surgery. Dr. Bassichis is a member of the elite National Educational Faculty for Botox and instructs other physicians and medical professionals in the most advanced techniques in medical injections. He also trains other Physicians in the art of injecting Restylane, Sculptra, and other facial fillers. As well, the Advanced Facial Plastic Surgery Center is a regional teaching facility for the Candela Laser Corporation and for Palomar Technologies (Intense Pulsed Light) allowing them to showcase and educate in the latest technologies the Laser sciences have to offer, including facial rejuvenation and laser hair removal.

Dr. Bassichis volunteers at the Dallas Veterans Administration Hospital to deliver surgical services to our country's veterans. Dr. Bassichis lives in Dallas with his wife, Michelle, who is also a physician. They have two young children Sara Lillian (age 2) and Max (age 1). Dr. Bassichis enjoys golf and tennis, but he loves spending his free time with his family most of all.

When choosing a doctor for your face, "Trust your face to a Facial Plastic Surgeon."
