

Benjamin Bassichis, M.D., F.A.C.S.

FACIAL PLASTIC SURGERY

From the emotional challenges of facial reconstruction to the intimate decision of elective cosmetic surgery, Dr. Benjamin Bassichis and his team at the Advanced Facial Plastic Surgery Center are committed to caring for all of your facial needs.

Dr. Bassichis understands that everyone wants to look and feel confident and beautiful at every stage of their life. After listening to your concerns, he can help you achieve your aesthetic goals using proven surgical and non-surgical methods. Double board-certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology-Head and Neck Surgery, Dr. Bassichis' holistic approach to the

face encompasses anti-aging skin care and wellness, as well as the most advanced procedures in facial plastic surgery.

Dr. Bassichis is a national expert in facial injectibles and educates other health care professionals in the art and science of injections. As Dr. Bassichis personally performs all injectible treatments himself, he is able to develop strong, long-term relationships with his patients, which includes customized plans for optimal facial health and beauty.

Visit the Advanced Facial Plastic Surgery Center for your comprehensive and rejuvenating office consultation and you'll see why Dr. Bassichis has once again been named one of the Best Doctors in Dallas for plastic surgery.
