

Benjamin A. Bassichis, M.D., F.A.C.S

SPECIALTY: FACIAL PLASTIC SURGERY

When it comes to enhancing your face with plastic surgery, trust and expertise are everything. You'll find both with Dr. Benjamin Bassichis. Double board certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology-Head and Neck Surgery, he is a well-respected and skilled facial plastic and reconstructive surgeon with a distinguished education that includes 11 years of specialty training.

Dr. Bassichis' practice is unique in that he focuses exclusively on procedures pertaining to the face, head, and neck, from cosmetic injectibles and skin cancer reconstruction to aesthetic facial plastic surgery and post-oper-

ative care. An exceptional aspect of Dr. Bassichis' practice is that he personally performs all injectibles, such as Botox and Restylane, which translates to better results for his patients. His holistic approach to facial rejuvenation, including facelifts, rhinoplasties, and eyelid surgeries, promotes natural surgical results that allow his patients' own beauty to shine without appearing "done" or artificial. In addition to surgery, Dr. Bassichis' comprehensive Facial Health Maintenance Program™ advocates a long-term commitment to customized skin health. Dr. Bassichis is a clinical assistant professor at the UT Southwestern Medical Center and has authored more than 50 scientific papers.
